

Splash Dome

MULTI-ANGLE CLIMBING

Comfort-grip holds across the entire surface allow guests to scale the dome from various angles with different challenges.

CLIMB OR SLIDE OPTION

Available as full climbing holds or a split design half holds - half slide for versatile water park fun.

SPLASH ZONE

Durable netting base creates a shaded, sit-in splash area for guests to relax between climbing sessions.

WATER PARK CONNECTABLE

Links to FunAir Water Mats and other inflatables to create a fully customisable on-water aqua park.

The FunAir Splash Dome is a geodome-shaped inflatable featuring climbing holds across its entire surface for multi-angle ascents. Guests can jump directly into the ocean from the top or slide down. A trampoline-style netting base provides a shaded chill-out zone on the water.
